“ To the Miles Family: With heavy hearts we take this time to express our personal condolences to the family of Patricia A Miles. Our thoughts and prayers go out to the family and friends during this time of great sorrow. Today all can relate to the pain that you are now dealing with. Then seeing that we are all related, your lost is our lost. I personally look forward to the time when we will hear reporting of those who had their lives restored back to them. This is the hope that God encourage all to look forward to. This hope is part of the Good News that is mention at Matthew 24:14. Unlike other governments that makes promises that they cannot keep. God will keep all of His promises. Here is just one such promise that is recorded so that we may gain true comfort. The promise is recorded at John 5:28-29. The promise states that God would cause a calling to go forth to those in the grave, and that our departed love ones would respond by standing up in life again. Oh what a wonderful time period this will prove to be. Just imagine the scene of the earth when we will witness with our own eyes our love ones standing up in life again. Yes the sound of joy and laughter will fill the whole. This arrangement will be made possible God is the source of life for all creative things. Yes even if a person dies, that person life can be restored back to them. (Psalm 36:9) To help all to develop strong faith in future arrangement, God has preserved nine accounts in the Bible that speaks about this grand blessing that is ever so near at hand. Here is just one such example recorded at Acts 9:36-42. I hope that all will get a chance to see how these verses apply to your family and others who await their personal resurrection from God. So in closing we say please keep this promise of God near your hearts at all times. Remember that when God makes a promise, it take place. For it is impossible for God to lie. (Titus 1:2)
