“ To the Reid Family I would like to take this time to express my condolences to the entire family. We are sorry to hear about the passing of Anna M L Reid. Our thoughts and prayers are with the entire family. No there is never a good time to hear about the passing of anyone. Reports on this nature never provides any good news, or comfort to anyone. Yet the days ahead of us will bring forth good news. The source of the good news will come from God Himself. This good news will provide true comfort to all grieving hearts. What will the good news be about? It will be about the returning of life back to those who have died. The good news is a personal promise from God. From the scriptures God reveals this wonderful promise. God states that He would call to those in the grave, and that our love ones would hear His voice and stand up in life again. (John 5:28-29) Oh how powerful these words are. The text used above serves as a personal guarantee from God that Anna Reid, and billions of others will have their lives restored back to them. God also tells us that He would also rid the earth of all sicknesses and death. Why even the aging process will be reversed so that we become young again. (Revelation 21:3-4 and Job 33:25) For a brief moment your heart will be filled with great sadness. We truly understand seeing that you have lost someone who was special to you. However we have God personal promise that He will restore life back to billions of people from around the world. When this arrangement takes place the tears in your eyes will be filled with tears of joy and laughter due to the resurrection of life taking place. All today can build their faith in this promise by reading all nine accounts that speaks about the grand resurrection soon to take place. Here is just one such example recorded at Acts 9:36-42. Please allow these verses to provide all with true comfort from God. So please keep these words and this promise from God near your hearts at all times. Remember that we have God's personal promise. Yes it is impossible for God to lie. (Titus 1:2)
