“ *Remembering You - Your time on earth seemed all too brief  
because we wanted you in our life forever. Although we really miss  
you, in our heart we know that you are at peace. Still, countless  
times throughout the day we find ourselves remembering you. We  
know that you are with us. We'll feel you in the warmth of the  
summer sun. We'll see you in the brilliance of autumn leaves. You'll  
be beside us in the peacefulness of a gentle snowfall and rejoice  
with us at the emergence of the first flowers of spring. We are  
thankful for the times we shared and the priceless memories, too.  
For those memories are a comfort now when we lovingly remember  
you.*
