Life Reflections

A beloved mother, sister, grandmother, aunt, cousin, and friend, Barbara Mott passed away unexpectedly on July 5th, 2021 at Research Medical Center in Kansas City, Missouri. She was born on February 26th, 1956 in Kansas City, Kansas.

Barbara grew up in Kansas City, Missouri and graduated from Lincoln High School. After graduating, Barbara was offered a modeling career in New York, but protectively her mother convinced her to stay close to home.

Barbara worked as a nurse's aide at several nursing homes prior to starting a family. She worked nearly two decades at Transilwrap Plastics, until the company went out of business. At the time of her death, Barbara was working at Thermo Fisher Scientific, where she had worked for 16 years.

Barbara was set to retire in August of this year. Barbara loved cooking and had hopes of starting her own cooking business after retirement.

Barbara was a member of Linwood Temple for over 40 years. She actively served her church and community as part of the senior choir, as a member of

Christian Women, and through her help with AY. Barbara also helped with church hospitality, serving food and cooking. Barbara always thought of others before herself and never cared to be the center of attention.

Barbara married her husband, Raymond Michael Mott III, on April 10th, 1980. Together they raised three sons. Wanting to protect her sons from the negative influences around them, she worked to send them to private school.

Barbara's sons were her greatest joy and even as adults, she spoke to them daily. Barbara's heart's desire was always for the well-being and salvation of her sons. Her passing has left a void in their lives that will not be filled until they are able to reunite with her one day.

Barbara was preceded in death by her mother and father. Barbara is survived by her husband Raymond, her sons Raymond Mott IV of Fort Worth, Texas, Carlos (Andrea) Mott of Arlington, Texas, and Marcus Mott of Atlanta, Georgia; her sister Gail Franklin of Atlanta, Georgia; her grandchildren Avie Mott and Zaniah Mott; her nieces and nephews; and a host of other relatives and friends.

When you think of Barbara, celebrate the good memories you have of her. Cherish the time you have with the ones you love and never miss an opportunity to love on the people around you.

Funeral service were held Sunday, July 11, 2021, 2:00pm at Linwood Blvd. Seventh Day Adventist Temple. Interment Monday, July 12th, 10:00am Forest Hill Cemetery. Service conducted by Lawrence A. Jones & Sons Funeral Chapel. Condolences may be shared on our website.

“ I worked with Barb at Thermo-Fisher Scientific and she really taught me a lot. I remember her telling me how I made her laugh everyday. I was sad to hear that her life ended so suddenly. And a little jealous that she gets to meet Jesus before me...Barb you will be missed! My condolences to her husband and family. She was loved by all.

“ I had the pleasure of working with Barbara at Thermo Fisher on the Safety Committee. She was always great to work with and had a positive attitude.
