“ To the Locke Family We are truly sorry to hear about the passing of Bernice Locke. At this time we express our deepest thoughts and prayers to the family and friends. May all please draw comfort in knowing that there is a future hope for those who have fallen asleep in death. In fact, God takes the time to share this loving promise that will bring forth future blessings not only for ourselves, but even for those who have fallen asleep. Also the promise is recorded in the sacred writings so that all can read it for yourselves. The scriptures tells us that God would soon cause a calling to go forth to those in the grave. That our love ones would hear God's voice, and stand up in life again. (John 5:28-29) Yes from this text, God is giving us His personal promise or guarantee that our love ones life will be restored back to them. Yes the text provides true comfort for all in knowing that Bernice, and a host of others will certainly stand up in life again. God has not kept His earthly family in the dark about this future arrangement. There are nine accounts in the Bible that speaks about the resurrection blessing that is ever so near at hand. Here is just one such example that is recorded at Acts 9:36-42. I truly hope that all will find true comfort in reading such comforting words from God. So please keep this promise near your hearts at all times. Remember that God has given us His personal promise. For it is impossible for God to lie. (Titus 1:2)
