“ To the Price Family With heavy hearts we take this time to express our personal condolences to the Price Family. We are truly sorry to learn about the passing of Bobby J Price. Our personal thoughts and prayers go out to the family and friends during this hour of great sadness. May the express words of the family and friends serve as words of comfort to the family and friends. But we must also be mindful of the words of comfort that God Himself will provide for all who are grieving at heart over the lost of a love one or friend. (2 Corinthians 1:3-4) God's comfort can be found right in the sacred writings of the Bible. Take for an example these words that He shares with grieving families today. So directing your attention to the scriptures, God tells us that He would soon call to those in the grave, and that our love ones would hear His voice and stand up in life again. (John 5:28-29) Yes what a loving promise this truly is. From this one promise, God is giving us His personal guarantee that Bobby, and billions of others will stand up in life again. That Bobby and others who have fallen asleep in death will be reunited back with their many family members and friends. Yes what a grand arrangement we can look forward to. God understands that many may have a lack of faith in this promised arrangement. So to assist all to develop strong faith in this promised blessing from God, our Creator has preserved nine accounts in the Bible that speaks about this future blessing soon to take place earth wide. Here is just one such example that is recorded at John 11:32-44. May I take this time to encourage all to see how the verses apply to Bobby, and a great host of others who await their personal awakening from the deep sleep of death. Now just imagine what the earth will be like then, as many will witness with their own eyes their love one standing up in life again. Yes the sound of joy and laughter will fill the whole earth. Yes this promise regarding the restoring of life truly serves as words of comfort to all grieving hearts. So in closing we say please keep this promise of God near your hearts at all times. Remember that when God makes a promise, it always becomes reality. For it is impossible for God to lie. (Titus 1:2)
