### Obituary

Brenda Joyce McClendon, 67, passed away on April 5, 2020 at Research Hospital in Kansas City, MO. She was born on December 7, 1952 at KU Medical Center in Kansas City, KS to Willie and Lessie (Jamison) McClendon who preceded her in death. Brenda grew up in Kansas City, Missouri and graduated from Delano High School in 1970. She was a member of Boone Tabernacle Church of God in Christ for more than 60 years. Going to church and being with family and friends were the two most important thing in her life.

Her favorite past time was watching TV. She especially enjoyed Family Feud and soap operas. She also liked poetry and talking on the phone with family and friends and ended every call with "I love you". Brenda's ability to remember dates and times amazed everyone. She was a walking calendar, the go to for birth dates, wedding anniversaries, and any special occasion. Her formidable spirit was inspiring. Her confidence and happiness were a testament to her mother's commitment to ensuring that she had the best quality of life despite physical challenges. Brenda brought joy to everyone who met her. Her smile and laughter will be missed.

She is survived by five brothers; William McClendon (Saundra), Stinson McClendon (Cynthia), Donald McClendon, Tim McClendon, Tony McClendon (Debra) and a host of nieces, nephews and other relatives. The family wishes to extend their gratitude to Julia Thuston and Deone McGee for the compassionate care and companionship they provided to Brenda and thank the staff at Lawrence A. Jones & Sons Funeral Chapel for their assistance during this difficult time.

Graveside Services were held at 11:00 A.M. on Saturday, April 11, 2020 at Mount Moriah Cemetery.
