“ I was a co-worker of Brians. I always knew him to be very respectful and soft spoken, he was a young man that came to work and did his job, never getting caught up in mess at the post office. My Condolences to his family and he will always be remembered as the beautiful person that he was, may he rest peacefully with God. I am praying that God will watch over and keep you during this time and forever more.

“ It is with heartfelt sorrow to learn the passing of your love one Brian. There are no words to say to express this sadness. My fondest memory is when he was a junior volunteer and how he won the hearts of all the nurses and patients. A kind gentleman he was.

“ Even though I had only known Brian for maybe 2 years, he really impacted my life. Brian was a kind very respectful young man and that is rare now days. We worked together and I had never seen him angry or rude to anyone, again rare at the Post Office. I will truly miss him and my prayers and condolences gonout to the family.

“ Lil Bro, You have left this bodily earth, but your spirit will always be near to our hearts. Please be a watchful guardian angel for Pop's and Nas. They still need your presence in their lives. Your presence will be sorely missed at the Thanksgiving dinner table when I make my annual pilgrimage to KK for the holiday weekend. We love you! Kisha Cortney and Aunt Jules
