“*Uncle Calvin, you will sure will be missed. I will always have my memories of You and Aunt Mildred taking care of me when I had my Kidney Transplant. I remember your Railroad Train set down in the basement. It was awesome. I also enjoyed the evening when we set and watched TV. I know You and Aunt Mildred will be happy to be together again. I love you Uncle Calvin and you will be truly missed. Your Niece Jane Pike.*

“ *Mr. Calvin Waters' passing and growing up on College Avenue, two doors from the Waters Family, has rekindled so many treasured memories of years gone by. Mr. Waters' great enthusiasm and excitement with miniature model trains sparked an interest in both my dad and brother, whom for many years to follow, toyed with the same hobby, just as enthusiastically as their model train mentor. One of my most endearing memories of Mr. Waters is when my dad passed away in 1974. Unselfishly and graciously, he offered to drive his automobile, in lieu of a funeral home vehicle, to accommodate our family to my dad's final resting place. Such a noble, thoughtful and appreciated gesture! Indeed, he was a very nice, respectable gentleman and a phenomenal neighbor who will be forever remembered and greatly missed. RIP, Mr. Calvin Waters. Peace and sympathy to you, Pam. Always, S. Kay Sears and Family*
