“ Carolyn was a very loving and caring person . She was also always there to help you out when you needed it she did this from her heart and did not want anything in return .she was a very special lady and child of God and we could tell. She was a true Christian because she shared it with others because she wanted us to know the word of the Lord also I am very thankful she that Carolyn shared this with me by her doing that I became more closer to God's Holy word and that I am becoming more better reading the Bible. Devotions and praying more often thanks to Carolyn I was able to accomplish this .me and Carolyn went to ladies Bible study together liked to share what we thought about what was being taught..we also went. to lady's Bible study camp we enjoyed being in the same room we would do devotionals and talks and joke with each other .she was a joy to be with.i really liked her alot and I liked being her friend. I thought of her more than a friend because she was like a sister to me.i

Am truly miss her.we went. To ladies Bible study together at City Union mission. and we went to the city union mission ladies Bible study camp for about 6 or 7 years.we enjoyed being in the same room at camp because we had fun joking and just playing cards.and we did devotionals before we wrnt to bed .I am truly going to miss her.from her friend who thought of hrr as a sister...
