“ Coach Cheese left an impact on my life that I will never forget. He taught me a different type of love for football and helped me decide that I myself wanted to become a PE teacher. His soft smile will never be forgotten as well as his jokes he always made. Coach Cheese also inspired me to become a football coach one day. His dream was always to be a head coach and I hope one day I am able to achieve that goal in his honor. Coach Cheese, thank you for the everlasting memories. Prayers to the Burnett Family in this time of grief.
