“ Shannon, Diamond, and Buddy I'm sure there are so many words, hugs, and other expressions of sympathy coming at you right now. I'm sure it's hard to think, hear, or even feel at this moment. When things have settled, and your thoughts come rushing back, and silence enters, please remember that we love you, we are praying for you, we are here for you. I am asking God for quietness so that you can rest your mind, peace to comfort your hurting heart, and His hand to walk with you through the days to come. With Love and our Deepest Condolences Carmelita White and family.
