“*Sadly, I only learned of Darrick's passing in recent days. I went on his FB page and was saddened to learn he passed. We worked together at Rockhurst and like so many have already said he was just a nice person, a nice man. He was the picture of health, extremely strong and disciplined. Yet he had a quiet and calm demeanor. He was well put together and so very professional. Sometimes it takes a moment to process loss, especially when it is unexpected. Darrick was one of the "nice" one's. He was one of the good one's. My prayers and love are extended to his family. Lastly, "when we all get to heaven, what a day of rejoicing that will be". RIH Darrick...this loss hit deep. Your sister in Christ, Caroline.*
