“ *Wow. I haven't heard from Don in months and wondered if maybe he was back in jail so I googled him and found this..... my hearts broken. We have been friends for so long. I'd send him money and we'd write while we was locked up. I can't believe he's gone and this is how I find out. He sent me a photo of Zoey and I still have it. He loved her so much. My prayers go out to his family. His mother especially. He adores her. Rest In Peace Dommy Don. I love you.*
