“ Greetings Family, It is indeed times like these that we need a saviour a friend a comforter and someone to get our backs. As a member of the family my heart is heavy at this great loss. If we have ever lived we are appointed to die. This has been written just as: "To all things there is a season, and a time to every purpose under the heavens." Please know that as a family member assured that Sharlyn and I will keep you in our prayers and cover your back. Peace, Comfort and Understanding with Love in Abundance is our prayers to this Wonderful Family as you travel this rough side of life's Highway. Thomas & Sharlyn Coopertj.cooper@att.net

“ Donald, Man it's kinda hard to believe, but i understand...God has bigger plans for you...We will truly miss your spirit and your dedication to family...As for Rose, Tamela and Raynette, the pain may subside in due time. But we all know it will never go away. Man, we are gonna miss those days filled with laughter and craziness, but God had a new job for you, the hurt is ever so evident and it is emotional at times, But joy comes in the morning...Well bruh, You carried the torch, you stayed the course, you fought the good fight....Now you can get some rest...Semper fi Marine....Thy will has been done for a good and faithful Servant.....Ooh Rah and Peace be unto you....With respect and much love....Cedd
