“ *My grandma.
Your gentle hands and guiding light, Will stay with me through
darkest night. Though you are gone from mortal sight, Your love
remains, pure and bright.
Words can not express how much I already miss you. But i know
you're up there reunited with family members who left before you. I
love you my grandma.
Love always,
Your fat daddy.*

“ *i'm going to miss you on Doris. You was the life of the party as a
love seeing you dance, holding your purse in your arm and it getting
it. It breaks my heart to know that you're gone, but I know that
you're out of your pain and you are with the Lord now you will
forever ever be remembered. Love always you're niece, Lenora. 💜*
