“ I never got the pleasure of meeting Mrs Gilmore but I worked with her son for over a decade. She raised helluva man they dont come much better than Ed. I loved listening to the stories he would tell about her the love for his mother shined every day. I think the pantry full of Coca-Cola is one of my favorite stories. I am thinking and praying for the Gilmore family during this time of grieving. May her memory last forever in your hearts and her legacy continue on in your actions. Love you brother!
