“ I had the GREAT pleasure of being mentored in both Pipefitting as an Apprentice under this wonderful man, but also as a decent human being as I observed how Ed treated others and gave of himself to make those around him better. He was truly a Saint amongst us and Im grateful to have known him. I apologize for missing his Services. He was much loved by and very trusted by the Fagan Family and the Fagan Company Family. God Bless this very good man. I also had the honor of working with him daily at Alexander Mechanical for a significant time. He was a brilliant man. (And he LOVED his wife and family).
