“ To the Adams Family: We take this time to express our personal condolences to the family of Ella Adams. Our deepest thoughts and prayers go out to the entire family, and friends of the family. Yes, we understand the difficult time that you are now dealing with. All today can relate to losing someone in death. When death strikes, it serves as a reminder of how far the human family has fallen from God's original purpose for His earthly family that we live forever. God's purpose for His earthly family has not changed. (Isaiah 55:10-11) From this one promise great blessings will come from God. One such blessing that God will provide for us is the restoring of life back to billions of people who have died. God wants people everywhere they live to have a clear understanding of this wonderful promise. The promise is recorded at John 5:28-29 and Acts 24:15. As the promise states, that God would cause a calling to go forth to those in the grave to stand up in life again. Yes, from this one promise, God is telling the Adams family that Ella will have the hope of living again. That in the very near future, that Ella would soon be reunited back with her many family members and friends. God wants all to have strong faith in this promise. So, our Creator has taken the time to preserve nine accounts in the Bible that is ever so near at hand. Here is just one such example that is recorded at Acts 9:36-42. I hope that all will get a chance to see how these verses apply to Ella, and to many others in a very special way. In closing we encourage all to please keep this promise of God near your hearts at all times. Remember that when God makes a promise, it becomes reality. For it is impossible for God to lie. (Titus 1:2)
