“ Ellen has been my dearest friend for over 43 years. After moving from Kansas City in 1996, one person who I would always make time to see when I would come back was Ellen; to spend some time with her. Enjoyed our dinners and also our breakfast gatherings, especially at First Watch. Although she's gone from our sight, she will never be gone from our memories. RIH my dear big sister. Ed Mason.

Ellen was a long time friend of our family. Her humor, quick wit, & bluntness made her a true treasure. We loved going out to dinner & especially breakfast at first watch with Ellen. There was never a dull moment with her.

She will forever be missed & in our hearts. Ellen is in the presence of the Lord.

Ellen and I grew up in Lawrence, Kansas. After high school, we relocated in distant states. Many years later we were visiting my sister in Lawrence and exchanged phone numbers. It was only in the last few years that we developed a real friendship, mostly via periodic phone calls. We could speak for hours reminiscing about school days, church activities, work experiences, life in Lawrence, etc,etc,etc. I found her to be a very kind selfless person. I will truly miss her. I hope she is enjoying heavenly peace and happiness.
