“ Though I know this is a difficult time for the family, my hope is that you will be comforted from God's inspired word the Bible. John 5:28,29 and Revelation 21:3,4 gives hope of a future resurrection and the complete elimination of death, pain and mourning. May the sure promise of a resurrection, comfort and strengthen you in the days ahead, knowing that the One who promised, "cannot lie" (Titus 1:2) Please accept my deepest condolences.

“ After God removes wickedness and suffering, the earth will be transformed into a paradise. Then people will be able to live forever in perfect health and happiness. God's Word foretells: “[God] will wipe out every tear from their eyes, and death will be no more, neither will mourning nor outcry nor pain be anymore.”—Revelation 21:4. In that new world, even dead ones will be brought back to life to share in those blessings: “There is going to be a resurrection of both the righteous and the unrighteous.” (Acts 24:15) That is why Jesus Christ could tell a repentant evildoer who expressed faith in him: “You will be with me in Paradise.”—Luke 23:43. I hope these thoughts provide some comfort during this difficult time.
