“ To the family please keep in mind the wonderful promise our God Jehovah gives us in his word the Bible. At John 5:28, 29 it says “Do not be amazed at this, for the hour is coming in which all those in the memorial tombs will hear his voice+ 29 and come out, those who did good things to a resurrection of life.” That day is sure to come very soon when you will be able to see and hug your loved one again.
