“*Condolences from Andréa, Breanna & Legaceigh Parks. We were Ms. Frances and her three grandsons neighbors on 78th Circle for about 6 years until she moved to a nursing facility. The best memories I have are when I would come home from work to see Ms. Frances and my mom, who passed away March 2019, sitting on their porches every day in conversation. I will forever remember those moments and her hearty laugh. Family...you are in our prayers!*
