“ To the Allen Family We are truly sorry to hear about the passing of Freddie M Allen. Our thoughts and prayers are with the entire family. Yes we understand your sadness. You have lost someone who was special. Now as with many families, death has taken that special person away from us. The reporting of the lost certainly does not provide any good news. However good news is right around the corner. The source of the good news is from God Himself. Since Freddie had knowledge of the scriptures, I wonder how many times did she personal read the following verses from God. To all grieving hearts, God tells us that He would soon rid the earth of all sicknesses and death. (Revelation 21:3-4) Can you envision living during a time when no personal will ever get sick, grow old and die? Well this is the wonderful hope that the human family can look forward to. Why even the aging process will be reversed.(Job 33:25) Then in behalf of those who are grieving over the lost of a love one, God continues to provide comfort with this next promise. He states that He would restore life back to those who have died. (John 5:28-29) Yes Freddie, and billions of others will stand up in life again. The nine accounts in the Bible helps us to build faith in this loving promise from God. So please keep this promise near your heart. Remember that it is impossible for God to lie. (Titus 1:2)
