“ I admired her living her best life to the fullest;
EVERYDAY! She definitely didn't take no wooden nickels from
anyone! You young folks can look that up. 😊 MomMom...truly one
of kind. I will always be admired by your determination to live life
regardless of where God placed you on this earth. My sincere
heartfelt condolences to her entire family and her God-sent family.
I'm blessed to have known you. Until we meet again...RIH☐
