“Gloria was the little sister I never had but God graced me and our family with her beautiful presence. I have many happy memories of us growing up together as Uncle Thompson and Aunt Gertrude helped raise us together with my parents, William and Ruby Gunnels. Through the years, we stayed in touch and supported each other as the lord blessed us with wonderful, husbands, children and family. I look forward to the day that we are reunited together again in heaven to once again share the joy of our endless friendship. Vivian Leavell

“To our family with deepest love, thoughts, and prayers in today. I will miss Aunt Gloria and her loving and caring spirit. I was just talking to her about a month ago and we both laughed and stated that we loved each other and our family. I know that God was allowing me to hear her voice one more time. My heart is with you all on today. Auntie will be missed dearly. With all our love. Alisha, Lavon Chatman and the Arkansas Family.

Gloria and her family were our neighbors. We became very close friends when her father was living by himself here in Hot Springs. She was very caring about others and always had a beautiful smile. She will truly be missed.
