“ *To my daddy this it's Elonda I'm heart broken that you are gone
even tho we were far apart you were always near in my heart and I
still have the memories of your love. I saw you be a good dad even
when you though you wasn't and caring for me evening through the
tough times you did what you thought was right and you wanted
your family to stick together no matter the cost, you poured that
seed into me and now all I want is our family unity and love. I'm
going to miss you daddy RIP 🖤🌹 Love your daughter.*
