“ *Sorry to hear about Mr. Fosters passing. He was a good man and helped many people in Kansas City. Especially at Northeast Jr. High School, where he and the late Lee Lindsay, as teachers, started the The Boys Club that kept a lot of us focused on school and out of trouble. At Northeast, he also coached the most dominant track team among KCK junior high schools, and prepared us to continue at Sumner High School, where we became one of the most dominant track teams in Kansas (winning the state championship 3 years in a row - and all of the seniors on the team went to college). He and the other teachers at Northeast were a unique group who cared about their students and collectively set a standard that still guides many of us today. But there will never be another like Harold D. Foster! God rest his soul.*
