“ I worked with Helen at Two Rivers and I loved her very much. I will never forget her. We use to laugh so very much together. She was a beautiful person inside and outside. I still remember so many times she saved me from a psychotic patient. She will always be forever in my heart. She said I was her sister from another mother. She made life fun and she was a wonderful Nurse.

“ Mrs. Helen Green and I became acquainted when my daughter entered Children's Mercy in the burn unit. For 31 days my child was there she was there for not only my daughter, but for me. From there we became friends more as family once I met Mr. Thomas as well as Terrell and Alicia. Her smile and laugh alone would brighten any room. I am deeply saddened to learning of my dear friends passing. My condolences to the entire Green and Walker family. I will never forget you Helen, rest well.
