“ I just found out that me dear classmate has gone on to be with the Lord. A few months ago I had such a burning desire to find her and Jasmine. I did the Facebook and other searches and was unable to do so. Tonight I was looking through ST. Thomas obituary and saw her name--devastating. Jackie has gone the way of all the Earth. She now belongs to the ages. She was a special special person. I love you Jacqueline D. Tota. You and Jasmine walked with such grace and anointing. Farewell. My condolences to her entire family, and especially to Jasmine. David
