“ I remember that picnic Jessica set up for the staff and provided Go Chicken Go. It was raffle time and James was ready when Lisa called out his winning numbers for that Chiefs item ( I think it was a tumbler or a hat), but you would of thought it was a check, lol. He loved his Chiefs. He was a JOY to be around and his smile was contagious. I enjoyed chatting with him a few times when he was helping out as an advisor as well. Rest well friend. You might be gone but you will NEVER be forgotten!
