“ To the Frye Family We are sorry to hear about the passing of Jason Frye. Our thoughts and prayers go out to the family and friends. Please draw comfort in knowing that this enemy death will soon be a thing of the past. AT Revelation 21:3-4 He tells us that He would rid the earth of all sicknesses and death. Oh what a wonderful time period this will prove to be, when no person will ever get sick, grow old and die. I personally find comfort in knowing that God will also use His great powers to restore life back to those who have died. (John 5:28-29) Oh what a grand time period this will be for the human family. Just imagine how the sound of joy and laughter filling the whole earth. So please continue to find comfort in these loving promises from God. There are nine accounts in the Bible that speaks about this wonderful blessing from God. Here is just one such example recorded at John 11:32-44. I hope that all will be able to see how the verses apply to their love ones and friend. So please keep this promise of God near your hearts at all times. Remember that it is impossible for God to lie.(Titus 1:2)
