“ Dear “pops”. Remember me? Kristina from California. We we’re neighbors and became instant friends. When Joe and I moved away I would always ask about you when I spoke to our friends. I just recently contacted our old neighbors and once again asked if they spoke to you lately or how your doing. I just got the news yesterday and I am so heartbroken over your loss. Jerome (jr.) I don’t know how to contact you but I did find this page. My deepest condolences for you and your family. “Pops” was definitely my friend and he will always hold a special place in my heart. I love you and rest in heaven, until we meet again my friend. Love Kris J. 🥹 utterly heartbroken, even though you passed last year, this is very new to me.
