“ To the McComb Family We take this time to express our personal condolences to the family of Jerry McCombs. Yes we are always saddened to hear about the passing of anyone. Death only serves as a constant reminder of how far the human family has fallen away from God's original purpose of being able to live forever. Today all of us can draw true comfort in knowing that God has not turned His back upon us. He has taken the time to reveal many loving promises that will provide future blessings for us. One such blessing is the restoring of life back to those who have fallen asleep in death. That promise is recorded at John 5:28-29. In that promise God tells us that He would soon call to those in the grave to stand up in life again. Yes people like Jerry, and a great host of others will have their lives restored back to them. In fact from the above promise, God is giving us His personal guarantee that life will be restored for many. From the ransom sacrifice of His Son, this arrangement of reversing death is possible. The scriptures also tells us that God is the source of life for all created things. So even if a person dies, that person can have His life restored back to them. We can take comfort in knowing that God has a yearning or the desire to do just so. (Job 14:15) Then to help all to develop strong faith in this future blessing, God has provided nine accounts in the Bible that speaks about the resurrection blessing that will soon take place earth wide. Here is just one such account that will surely touch your very hearts. It is recorded at John 11:32-44. I hope that all will get a chance to see how these verses provide loving comfort for all. In closing we say to all to please keep this promise near your hearts at all times. Always remember that when God makes a promise, it becomes reality. For it is impossible for God to lie. (Titus 1:2)
