“ Dear Jestine's family, I send you love and blessings from New England where I now live. I 'm a White guy who was a VISTA volunteer at Wayne Miner in 1969-1970. I lived in Jestine's building. She was my boss, and I was so grateful. She spoke up for me when I was threatened by local Wayne Miner youths; and she took me to services at her Baptist church where I took up a life-long love of Gospel music. Love and prayers to Jestine and to your family, Robert
