“Dad, you will be missed! Your bear hugs, the melodies of praise that came from your resonant baritone voice. I enjoyed cooking for you, just to watch you eat; because you made it fun to watch! :) Any time I heard you say some food that had "slither in it".....you were enjoying it! Many memories that will carry us forward and share with your great grands. Your daughter in love, Jeanette

“I will always remember the time you went to our church in Manila and you said it was like Jacob's ladder because of it is at the fourth floor. I am sad you have left us, but in a way happy because you will be singing your songs in the presence of the Almighty, Lord Jesus Christ from now on. The High Calling Christian Center Inc. Philippines extends it's sincere sympathies to sister Noreen, the family and relatives of Deacon John Lewis. You will be missed. Pastor Stanley & Sis Lanie King
