“ *Oh, how I already miss my Great Aunt Johnnie. She would always make sure I had a pot of greens at every Thanksgiving dinner at her house or special occasions. Also, she knew how much I loved jewelry and would offer me some unique trinket that she obtained from the families who gifted her these things. Most of all I will miss her love for God and her "five dollars"(spankings) that she would threaten those she love with. Love you forever Aunt Johnnie Mae💕*
