

## Mr. Jordan Blake Harrison

June 4, 1990 - February 2, 2024

Jordan Blake Harrison was born June 4th, 1990, in Tulsa, OK to Stacy Young and welcomed by his two older siblings.

Jordan was a 2009 graduate of Oak Park high School in KCMO. Throughout his life he brought laughter; light to the lives of everyone who crossed his path.

Jordan extended his heart and friendship to everyone. His smile brought joy to those who knew him and to the passers-by alike, and if you stopped to talk for any length of time, you became his friend. If you were close to Jordan, he was fierce about loving you and making sure you knew it. He was loud, obnoxious and hilarious. Always a performer yet terrified of his gift; when Jordan sang people would stop in their tracks to listen. His voice in song was an encouragement to so many who may not be able to tell him, but our family has heard and seen how freely he gave that gift without realizing its impact.

Jordan felt the pain of others deeply, he was like a magnet for people who needed to be heard, to be seen and to feel they mattered. Behind the boisterous laugh, million-dollar smile and huge heart he battled with his own pain. Though it was not until the end of his time here with us that he experienced freedom by giving his life to Jesus; he did find his way back into the arms of his loving Savior.

Jordan expressed his desire to share the same hope he found with others. He wanted to point people to Jesus and let them know the way to find the ultimate peace and hope in the middle of pain.

Jordan will be remembered and deeply missed by the enormous family; he created through deep life-long friendships and the more recent additions from his time in Arkansas.

Jordan's memory will be cherished by his grandmother Anna Chastain, his mother, Stacy Young; siblings, Chazaray; Marleana Harrison, Tiffani Harrison, Chelsea Young, Zachary Young, River Young; Julian Harrison and his beloved nephew Christian Young, niece Kaylin Douglas as well as aunts, uncles and aunts, cousins other relatives and friends.
