“ *Joseph Banks, BKA Joey! What an Incredible man he was!*

With Joey you Always knew what to expect because he was Always Solid, Always True, Always consistent and Stubborn- Very Stubborn!

One thing for sure Joey Loved his family. He made sure each month his calendar was filled with the Birthdates of Every family member!

Joey would blow up balloons, decorate the house for special birthdays and Holidays!

Speaking of Special Jowan, JoJo, Shannon, Meeka and Kita y'all better know he Loved you all Deeply and Dearly he spoke of you all often!

Joey would Always joke about how jowan and myself was Always on his phone line- both calling at the same time daily.

Joey will be Forever missed by myself and many others, leaving a huge hole in my heart that is only being filled knowing I will see him again - I will talk to him again- we will meet Joey again in Heaven where he is Peacefully waiting our arrival!

May Peace be with you all, as we mourn the Loss of Joe Banks!

“ We spent a lot of time with Uncle Joey growing up at Grandma’s house. As kids, even though Uncle Joey was 4 years older, he was always fair and looked out for us!

He had the final say in the kickball games we played in Grandmas driveway on if you were “out” or not!

We all knew that after school ,on the one TV in the Grandma’s house, we were watching his favorite show, HeMan -Masters of the Universe first!

Growing up, what I appreciate most about Uncle Joey was how he looked out for all of us!

We never had to worry about anybody trying to bully us or causing any issues because if we called Uncle Joey he was coming without hesitation!

Rest Well
