“ *Trina is my little cousin but she feels like a sister because when we were younger, Trina would often spend weekends at our house and later on we lived at her house off and on. Her parents fed us many days. Trina will be remembered as very generous and very kind and caring. She was really funny, kept me laughing. Trina was an excellent beautician, she did my hair for a while and would cut my husband's hair also. Katrina, we love you and you will be greatly missed. Your Sister- Cousin. Dawn Davis-Tweedie*
