“ Words of sympathy or condolences do not seem sufficient in the loss of our Kristal. She was an amazing woman of faith, love, compassion, empathy with a whole lost off fiesty and sass. Kristal worked with me over the last decade and we sat next to each other. Seeing her everyday and being in each others lives and families. Kristal was a person who made an impact on peoples lives. Im a better person for knowing her and I am sending the family all the love I have. Lisa Powell

“ *I worked with Kristal at Sprint. She always had a smile on her face. She enjoyed writing positive comments on a white board for everyone to see. Those comments were very positive and uplifting like her. Prayers for all your family as you mourn your loss.*
