

## L.C. Richardson

September 23, 1934 - February 16, 2021

### Obituary

LC Richardson, a native of Edwards, Mississippi and resident of Kansas City, Missouri was called home to be with our Heavenly Father on February 16, 2021 at his daughter's home in Raymore, Missouri. He was born on September 23, 1934, to Ike D. Richardson and Clara Dozier Richardson.

In 1952, after high school, he moved to Kansas City, Missouri. There is where he met and married Rosa Williams in 1954. He worked as a cook then chef all over Kansas City until his retirement from Farmland Industries. After his retirement, he achieved his dream and established LC's BBQ in 1986. He was an excellent chef whose skills manifested in any type of food he prepared, and he loved being with family and friends. His customers have played an important role in his life, as he spent all of his free time sitting in his restaurant at his reserved table, speaking to any and all the customers he could.

LC was an expert marksman who had a passion for hunting and fishing. He

was a life-long sports enthusiast and a 20-year season ticket holder for the Kansas City Chiefs. He didn't miss an opportunity to watch his Kansas City Royals or Kansas City Chiefs play, and he made sure his restaurant was open for any Sunday home game even though it was normally closed. He was blessed to see his Royals be the 1985 and 2015 World Series Champions and see his Chiefs be the 1970 and 2020 NFL Super Bowl Champions.

LC was preceded in death by his wife Rosa Richardson, parents Ike and Clara Richardson, one brother James Richardson, four sisters Gloria Carr, Margie Pope, Jerline Jacobs and Clara Jean Richardson Sizer and his companion Nellie Byrd.

Those whom he leaves to cherish his precious memories: his daughter Tonya (William) Richardson Hammett of Raymore, MO; five grandchildren, Tausha (John) Hammett of Olathe, KS, Edna (Kimberly) Richardson of Lenexa, KS, Tiffany Hammett of Kansas City, KS, John David Hammett Sr. of Kansas City, MO, and Tracy Hammett of Raymore, MO. He is survived by one sister, Ruby Mack of Arlington, TX and two brothers, Vernell Richardson of Kansas City, MO and Charlie (Christell) Richardson of Jackson, MS. He also leaves behind his beloved great-grandchildren and a host of nieces, nephews, cousins, other relatives, and friends.

“ My memory of Mr. LC is that when I was growing up he and my dad Virgil Moore and my uncle Lavarn Kimble would get up early for the weekend and go hunting and in in the spring and summer months they would go fishing, they had some of the best times and so much laughter and fun all those years.My dad Virgil Moore passed away and that was a sad day in our lives and I know Mr. LC's passing is a sad day in his family's lives I'm sending our prayers and condolences, we will miss him greatly and he will be in our hearts forever. With Love, The Moore and Kimble Families ❤️❤️🌸

“ My name is Charles Trinqual. My family and I lived at 43rd and Lister during the 80s and 90s. We would take 350 hwy to go to Raytown. When LC started he started in the little store front next door to where he is today. He had this old smoker outside chained to a light poll out front. He would walk back and forth all day smoking meat. We would go in and order food and he would be in there all by himself. He would take your order and make the fries right in front of you. He would put those potatoes in that slicer and then he pulled the handle and the potato would be sliced come out the other end. He cooked and did it all by himself at first. He eventually hired a young man to help him and the rest is history. On behalf of my family, we would like to extend our deepest sympathy to LC's family and customers. Thank you LC for making KC BBQ even better then before. May you rest in peace and fish on Gods beautiful shores. 🙏 Thank you and God bless. 🙏❤️
