“ Thinking of the time the police followed us home on the bus and
mama was soo mad😭😭 I didn't really tell the whole truth but you
couldn't keep quiet to mama. U told her I was the cause of the
trouble on the bus and I led the movement! Mom couldn't believe it
and neither could I cuz WHY WOULD U DO THAT?!?!😭😭😭
Mama looked at me different ever since lmao. We miss you so
much bro💕💕

“ I was singing that, "In the Jungle" song the other day to your
nephew and of all the times I've sung it, I never remembered that
you sung that song during your performance when we were
younger, until now. You had a solo and did amazing❤️❤️❤️ My first
concert.

“ You called me up to get my French toast recipe. French toast with strawberry cream cheese drizzle, smothered potatoes, thick T-bone steak, your favorite breakfast. You decided to slice the bread into fours for the babies and make bacon with it. Daddy famous breakfast, I'm so proud of you, I will teach them how to prepare your breakfast.

“ RIP Big Brother❤️❤️ Even though you was an a**hole you always showed how much you loved and cared. I remember being hungry and you would ask where to. You would roll your eyes when you found out I wanted to go multiple places for food lol. You took me to Chipotle for the first time and I remember you said you weren't hungry. You were ALWAYS hungry!😭😭 I didn't realize until later that you were going through a hard time yourself... You were so selfless. I'm sorry we never got to go out and drink together. Rest in heaven Legend💜 Say hi to grandma for me. We love you and miss you already💜❤️💜❤️💜❤️
