“ *From the Family of John W. Harding or as Leon called our Dad "Baby" our deepest sympathy and heart felt prayers to your family. You were one of dad's closest friends for 50 years and what a great example of friendship you both demonstrated for us. My brother and I were talking about you not even a couple weeks ago. I think I speak for my brother when I say we always knew you were a special friend to Dad and we enjoyed the times we got to talk and laugh with you. God Bless. John F. Harding and family.*
