“ Lillian was one of the best CMT's that I had the pleasure to work with at Nettleton. I have thought of her often and wished I had her to work with at other places. It was very evident that she loved the ladies at Nettleton. She was one special lady. So sorry for the families loss, prayers are sent to them.

“ Dear Lillian's family, I worked with Lillian at the Nettleton Home from 1986 to 1996. She was the most dedicated nurse I ever worked with. She poured love into each of our residents like no other. I have thought of her often because of the love she showed others. My prayers and love go out to each of her family. Pat Rodina
