October 11, 1928 - July 9, 2019

### Obituary

#### MRS. LILLIE MAE HENDERSON CLYCE

The ending of mortal existence for Mrs. Lillie M Henderson Clyce became a reality on the ninth day of July in the year of our Lord Two Thousand and Nineteen. There is a sting in death, but immortality is the hope of every Christian triumph over this dreaded adversary and brings into focus the promised celestial home where one can live in freedom, peace, and eternal rest. The life of Mrs. Lillie Mae Clyce began on October 11, 1928 in Fulton, Missouri to the late Otha Lee Henderson Sr. and Winnie Ann (Pasley) Henderson. Lillie was a loyal member(mother) of Calvary Baptist Church and participated in many activities. She worked for 15 years at the University of Missouri Medical Center as a nurse tech, then 8 ½ years as an attendant at Fulton State Hospital. One of Lillie's biggest joys were the years she spent as a Foster Grandparent in the Fulton School District. She had the pleasure of engaging and fostering relationships with many children and families in the Fulton Community. In October of 2018, Lillie's 90th Birthday was an event we all will remember. The love that was shown towards Lillie at her 90th birthday party was priceless, and I believe it was one of the highlights of her lifetime on this earth. I, Thomas Clyce, personally know the love she showed, and the love given was beautiful, because I was blessed to have that love for 71 years. Our beloved matriarch, Lillie Mae Clyce is survived by one son:

Thomas M. Clyce (Carolyn) of Lee's Summit, MO, one bother: Granville E Henderson of Springfield, MO. Two grandchildren: Damon M Clyce of Lee's Summit, MO and Christina Bright (Clyce) of Atlanta, GA. She will truly be missed by all! Funeral Services will be held at 1:00p.m. Saturday, July 20, 2019 at Calvary Baptist Church 227 East 6th Street Fulton, Missouri 65251. “ I had the privilege and honor of sitting across the picnic table from Miss Lillie Mae at the Ramsey/Lambert family reunion last year. She knew my great grandfather, Roy Kibby, my grandmother, Edna, and my grandpa James Bennett and told me a few stories of their antics when they were young. She even told me unashamedly of some of her own! We had a good time sitting there together with her sharing so much history with me and those around us under the shelter on that hot July day. On behalf of the Woods and Bennett families in Indianapolis, Indiana, we send our heartfelt condolences to the family and friends of Miss Lillie Mae.
