

## Lily Rucker

September 25, 1934 - September 6, 2018

### Obituary

The Lord is my Shepard; I shall not want. He maketh me to lie down in green pastures; He leadeth me beside the still waters. He restoreth my soul; He leadeth me in the paths of righteousness for His name's sake. Yea though I walk through the valley of the shadow of death, I will fear no evil; for thou are with me; thy rod and thy staff they comfort me; Thou prepares a table before me in the presence of mine enemies; thou anointed my head with oil; my cup runneth over. Surely goodness and mercy shall follow me all the days of my life; and I will dwell in the house of the Lord forever. Psalms 23

“ *Lily was a cherished member of our team here at Visiting Angels. In fact, she was awarded caregiver of the month on the day of her accident. She came to the office that day and we awarded her the certificate and gift. She was so appreciative and looked so pretty sporting her fresh haircut. She brought many people joy in so many ways. She had so much spirit and life in her. She brightened our day every Wednesday when she would come to the office. Lily worked with quite a few different clients in their final days. They were always so appreciative of the kindness and compassion that she showed them until the end of their lives. Lily was a very special lady and she will be missed by all of us. Our deepest sympathies to her family and friends.*
