“ Thank you for your kind words. I never knew this was on here. She will and is missed every day. I took her being here for granted. I assumed she'd be around to see my boys grow up. To see my grandson grow. To just be here for me to talk to. I've learned a valuable lesson a little bit too late. But I'll always take the life of my loved ones seriously from here own out. Love you and miss you Momma

“ Prayers and condolences to the family~ May you find strength in the memories of the love shared, precious moments recalled and good times had, comfort you now and in the days ahead. Praying the love of God enfolds you during this journey of grief one day at a time~

“ Linda was a dear friend and coworker for many years. She was a determined/diligent worker who stood her ground (I would often meet her in the hallway after meeting(s) with a high five and call her 'my she-ro'! lol). She was my buddy and even after our career paths took different directions, we still managed to stay in touch! Linda lived her dash well making an undeniable impact on those she encountered. Rest in peace my friend -- your presence will indeed be missed.
