“ I want to say that my grandfather Louis Nicholson will be missed. I hate that I was unable to attend services. I send my condolences to Karen, Monique, little Louis, Brittany, Candace and all of his grandchildren and great grandchildren other next of kin who were blatantly left out of things by his niece!!! I think that it's a shame how his niece handled his services by not making room for his only daughter Karen in the g family car and not fully acknowledging his biological children and grandchildren! However God sees ALL. Tequila (Daisys granddaughter and Glens daughter)!!!!
