“ My heart went out to your family for the loss of Louise. I loss my mother over 10+ years ago. But I found comfort in these few scriptures. I hope they find comfort for you during this difficult time. Psalms 37:9,-11,29 9 For evil men will be done away with, jBut those hoping in Jehovah will possess the earth. k10 Just a little while longer, and the wicked will be no more; lYou will look at where they were, And they will not be there. m11 But the meek will possess the earth, nAnd they will find exquisite delight in the abundance 29 The righteous will possess the earth, iAnd they will live forever on it. jPlease look up these scriptures in your own copy of the Bible. It will give you confidence you will see Louise again under righteous condition where she is no longer sick but restored youth and healthy. “ My sincere condolence and deepest sympathy to the family. As time passes may the comfort of fond memories become greater than that of sorrow. May the hope of resurrection John 5:28,29 give you inner peace to know that you will see your loved ones again.
